INSURANCE PLAN 5

Even a small trip to the hospital can have a major impact on your finances.

Here's a way to help make your visit a little more affordable.

This plan is not a substitute for major medical coverage; it is designed to supplement a major medical program. This is supplemental to health insurance. It is not a substitute for hospital or medical expense insurance, a health maintenance organization (HMO) contract, or major medical expense insurance.

AFLAC GROUP HOSPITAL INDEMNITY

INSURANCE PLAN 5

Policy Series CA8500-MP-CA

The plan that can help cover expenses and protect your savings.

Does your major medical insurance cover all of your bills?

Even a minor trip to the hospital can present you with unexpected expenses and medical bills. And though you may have major medical insurance, your plan may only pay a portion of what your entire stay entails.

That's how the Aflac group supplemental hospital indemnity insurance plan can help.

It provides financial assistance to enhance your current coverage. So you can avoid dipping into savings, or having to borrow to cover out-of-pocket-expenses health insurance was never intended to cover.

Like transportation and meals for family members, help with child care or time away for work, for instance.

In addition to providing you with cash benefits (unless otherwise assigned) during a covered hospitalization, Aflac's group supplemental hospital indemnity plan has been designed with much more in mind, such as:

- **No deductibles.**
- **No networks, which means you can be treated at the hospital of your choice.**
- **No precertification.**

What you need, when you need it.

Group hospital indemnity insurance pays cash benefits that you can use any way you see fit.

Here's why the Aflac group supplemental Hospital Indemnity plan may be right for you.

For more than 60 years, Aflac has been dedicated to helping provide individuals and families peace of mind and financial security when they've needed it most. Our group supplemental Hospital Indemnity plan is just another innovative way to help make sure you're well protected under our wing.

The Aflac group supplemental hospital indemnity plan benefits:

- Hospital Confinement Benefit
